

ACROBATIC ELEGANCE.

Madida bought a hobble skirt.
Its style was very fine,
But it was tied so tight it hurt
Around the ankle knee.

And yet she rather liked it when
It showed her well-shod feet
And offered glimpses now and then
Of bonbonny no noel.

And so until a man she went
Of great gymnastic skill,
And many hours a day she spent
In practice with a will.

At last she is prepared to meet
The hobble skirt's demands,
She doesn't try to use her feet,
But walks upon her hands.

brought, with the hope of saving her life. She
was formerly Miss Emma Grover, daughter of
the late London Grover."

Shooting Scrape

The empty box cars left standing on the C and O. switch East of Limestone street are used as an assembly room for colored and white crap shooters. Last night about 8 o'clock a fight was kicked up over a crap game, in which clubs and pistols played an active part. Altogether five shots were fired. One man was struck over the head with a club, and how many more were hurt is not known, as the crowd scattered when the Police made their appearance. This is another danger zone that Chief Ort should put on his black list.

THE ADVICE OF A FRIEND

Given to Those Who Need It

San Francisco, Cal.—"To anyone who is run-down or who needs a good blood purifier, I want to recommend Vinol, the great cod liver and iron tonic. I was run down, feeling badly and only weighed about 140 pounds. I took a course of Vinol. It purified my blood, gave me a fine appetite and built me right up. Now I am well and strong, weigh 175 pounds, and, in fact, never felt better in my life."

—John S. Charles, 3264 17th street, San Francisco, Cal. (We guarantee this testimonial to be genuine.)

Vinol is a delicious combination of the health-giving properties of the cod's liver, with the grease eliminated, and tonic iron added, blended in a mild medicinal wine.

If your blood is poor or sluggish, your appetite poor, your digestion weak or your vitality not up to the standard, or if you are suffering from chronic coughs, colds or bronchial troubles, try a bottle of Vinol with the understanding that your money will be refunded if it does not help you. It could not or what all these people claim it did for them. It was not honest. John S. Charles, Druggist, Maysville, Ky.

FOR GOVERNOR

Lieutenant Governor W. H. Cox Announces His Candidacy in An Appeal to His Party

Maysville Man Enters the Race With the Most Flattering Assurance of Winning

MAYSVILLE, Ky., March 18th, 1911.

To the Voters of Kentucky: The Republican State Central Committee having been called to meet in Louisville April 1st to fix a time, place and manner of selecting candidates for State offices, I desire at this time to announce my candidacy for the Republican nomination for Governor, believing that with my experience in public life as a member of the General Assembly, and Lieutenant Governor, presiding over the Senate, and Acting Governor, I have had a chance to become acquainted with the public business and the needs of the State, and believing this experience will enable me to be useful in bringing about needed legislation which will materially advance the interests of the people of Kentucky.

I believe in a square deal for every one, the enforcement of existing laws and the enactment of new laws by men elected for that purpose and free from outside influences. If nominated and elected to the high office of Governor of this State, I pledge the people to use all the power at my command in equalizing the voting power, that this may truly be a representative Government, and that the people of all sections of the State may be equally represented in the settlement of every public measure that affects their interest. Having due respect for the honor of the office of Governor, I shall leave the decision to the people. If chosen and elected, I shall perform the duties of the office for the whole people and for the honor of Kentucky Very respectfully,

WILLIAM H. COX.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from any other disease of the stomach and its associated organs, which impairs digestion and builds up a weak stomach. A weak or diseased stomach is the source of all weakness. When a man's stomach is weak, his strength is lost. When he doesn't sleep well, his mind is not clear, his feeling in the stomach is not right, his nerves are not strong, he is losing the power to make money.

Such a man should use Dr. J. C. Ayer's Medical Discovery. It cures diseases of the stomach and other organs of digestion and builds up the blood, invigorates the system, restores the nerves, and gives the whole body strength.

You can't afford to accept a cheap substitute for this non-alcoholic medicine. It is known everywhere, and even though the urgent dealer may thereby make a little larger profit, it is really a pity on the wrapper.

Don't Worry—Eat

Memphis, Tenn.—Mrs. Emma D. Looney of this place says: "I suffered miserably for nearly eight years, but since taking Cardui, I am much stronger, and I haven't missed a single meal. I hardly know how to express my gratitude. Cardui doesn't treat them. What you need is strength. Cardui helps you to get it. Take Cardui because other tonics and medicines do not contain its peculiar and successful ingredients. Imported especially for its manufacture. Half a century of success has stamped Cardui with the seal of public approval. During this time Cardui has benefited a million women. Why not you? Try it today."

Fire Insurance Risks Decrease

The fire insurance business in Kentucky fell off in every department in 1910. There were fewer dollars collected for premiums and fewer dollars paid out for losses, but on the whole business was more satisfactory to the insurance companies than during the years 1909 and 1908.

There was a total of \$4,550,120 collected by the insurance companies in premiums from the cities and towns in Kentucky, and there was paid back a total of \$1,968,646. The amount received in premiums in Mayville the past year amounted to \$49,296, against only \$4,183 in losses paid.
